ACCENTUATING THE POSITIVE

Kia ora e te whānau

Thank you to all our families for their collaboration this week during distance learning. As you will have heard the Prime Minister has just announced that Auckland will move to Alert-Level 2 at 6am on Sunday morning. This means that school will be open for all students again on Monday morning. I remind you at Alert-Level 2 our aim is to limit the people on site to staff, children and essential adults only. This means that we ask you to drop-off and pick-up your children from the gate each day.

If you have a new entrant child who might need support getting to class, let me know. We look forward to having all our children back next week, but as always, if your child has any cold or flu symptoms please keep them home.

Swimming will take place on Monday. If you have school reading books at home, please return them to school on Monday.

If you have any questions, please do not hesitate to contact me.

I wish you all a wonderful weekend.
