ACCENTUATING THE POSITIVE

Kia ora e te whānau. Greetings families

Thank you to all of our families who received our correspondence late last night. It is wonderful that everybody was able to make arrangements so quickly for their children. We really do have a tremendous community.

Our teachers have worked hard today to re-establish distance learning. If you have not managed to connect yet, please get in touch with either your child's teacher or myself, so we can support you.

While we are at Alert-Level 3, school will only be open for children of essential workers who are unable to provide alternative care for their children. If you need to book your child/ren into school this week, please contact me via email as soon as possible, so we can place them in a school bubble.

I will send an update each day.

If you need to book your child into school or you have any questions, please do not hesitate to contact me at amandab@rutherfordprimary.school.nz
