ACCENTUATING THE POSITIVE

Kia ora e te whānau

You have probably all heard the Prime Minister's announcement that New Zealand will move to Alert-Level 4 from midnight tonight. Auckland will remain at Alert-Level 4 for up to a likely 7 days at this stage.

You will remember that at Alert-Level 4 schools are closed.

I remind you that at Alert-Level 4 the school site is closed. Please do not enter the school grounds.

We realise that this has happened very fast, but we have been here before and we have good plans in place.

For tomorrow, please just take the opportunity to get your family settled in and prepare for the days ahead. Our teachers will take the next few days to connect and prepare for distance learning as we have done in the past.

As always, we will follow advice from the Ministry of Health and the Ministry of Education.

Please reach out if there is anything you need. We will put you in touch with agencies who can support you in the coming days.

We will send out further communication tomorrow.

I ask that our wonderful community follows all the guidance of the Ministry of Health as we have in the past.

Staff will be contactable via email from tomorrow. Please allow staff time to make arrangements.
