

Kia tiki ake te pai
ACCENTUATING THE POSITIVE

24 August 2020

Kia ora e te whānau. Greetings families

I hope you have all managed some time outside in between the wild weather. You are probably aware that the Prime Minister has just announced that Auckland will move to Alert-Level 2 on Sunday 30 August at 11.59pm. This means that school will reopen for all students on Monday 31 August.

You will remember from last time that there are health and safety procedures that we need to follow at Alert-Level 2. We will once again have drop off and pick up procedures and well-being at school procedures. I will send out another update later this week with the details of these procedures.

We will as always be following the guidance of the Ministry of Health and the Ministry of Education.

It is really important that we support children to return to the normal routine of attending school as quickly as possible. We will expect all children who are well to return to school on Monday 31 August. If you wish to discuss your child returning to school, please feel free to contact me.

Our teachers will continue to deliver distance learning for the remainder of this week.

If you have any questions, please do not hesitate to contact me at amandab@rutherfordprimary.school.nz
