

Kia tiki ake te pai
ACCENTUATING THE POSITIVE

26 August 2021

Kia ora e te whānau

It is really great to see so many of our tamariki joining class zooms. Helping our children stay connected with each other and with school is really important at this time. I have decided I would like to join the fun and will be running a storytime Zoom tomorrow afternoon at 2.30pm.

In today's update I am sharing information about learning TV and some information about getting access to food. We will send out a newsletter on Monday and then an update Tuesday morning based on what is announced at the Monday afternoon announcement.

Home Learning TV

The Ministry of Education has relaunched learning TV. The details are;

Home Learning | Papa Kainga TV

- Home Learning | Papa Kāinga TV is back online and on television weekdays between 9am–1pm.
- Home Learning | Papa Kainga TV is primarily for learners without internet connectivity. It can be accessed on Duke+1 (Freeview channel 18). Those households who have Sky can also access Duke +1 on channel 504.
- For households who have internet connectivity they can access the lessons through TVNZ On Demand. Schedules are published on [Learning from Home](#).

Access to Food fact sheets

The Ministry of Health has put together this fact sheet to help whānau know how they can get access to food. Please do not go without.

Access to food or essential items
August 2021

Unite against COVID-19

We all need food and essential items such as medicine through COVID-19 lockdowns, so please don't try to go without. This fact sheet has information about the many ways of getting food and other essential items to you. This fact sheet has information for all New Zealanders about:

- Food delivery
- If you can't get food delivered
- Staying safe when getting food delivered
- Financial help to buy food
- Foodbanks

Food delivery

If you are sick, or can't leave home to buy food or essential supplies, you can ask family, whānau, friends or neighbours to drop off goods and groceries for you. Talk to your support networks like family, whānau, friends, and neighbours to see if they could deliver essential items to you.

Try food delivery such as supermarket home delivery, food parcels, frozen pre-prepared meals, subscription food boxes or any other whole-food delivery service.

• For subscription food boxes go to: [The Food Bag OR Hello Fresh](#)
