

Kia tiki ake te pai
ACCENTUATING THE POSITIVE

19TH FEBRUARY 2021

Kia ora e te whānau / Greetings families

What a wonderful way to finish the week, the sun has been shining, and our tamariki are back at school enjoying reconnecting with friends and getting back into onsite learning. I am so proud of the effort that they all made during our three day lockdown earlier this week. Thank you once again to the extraordinary effort from whānau.

What's on top

Whānau Picnic

At Alert-level 2 the whānau picnic can not go ahead. Our plan is to see what happens over the next week and should there be a change of Alert levels we will be able to look at the viability of rescheduling this event.

Sun safety

Our children love getting outside and enjoy time outdoors both during break times and learning outdoors. It is really important that children have hats on during these times to protect them from the summer sun. Please make sure your child brings a hat to school. Children are able to leave their hat at school if they wish.

Pick up and drop off

While Auckland remains at Alert-Level 2 we will continue with the pick up and drop off procedures that we have had this week. Thank you to everyone for your support with this. If for any reasons arrangements change during the day, call the office and let them know, so we can let your child know.

Wellness at school

At Alert-Level 2 the advice from the Ministry of Health is that anyone with any cold or flu symptoms which includes, coughing, sneezing, runny noses should not come to school. If a child becomes unwell during the day, we will contact you to collect them. We appreciate your cooperation with this.

Ngā mihi
