18TH SEPTEMBER 2020

## FROM OUR BOARD OF TRUSTEES

The Board of Trustees met on Tuesday evening. We talked through a few things including planning for 2021. One of the biggest things is knowing how many children will be at the school. If you have children starting next year or know someone who is likely to have children starting next year please get in touch with the office or Amanda so she can plan classrooms and teachers. In zone students will always be accepted. It would be great if their start can be as well prepared as it can be.

We also talked about increasing the size of the board, to aid with diversity of thought. We want the school to be as great as it can be, we need different opinions to make this happen. Please have a chat with one of the board members if you are interested.

Lastly we just wanted to say thanks to families for following the current Covid-19 rules, so that we can all make the best of a difficult situation.

Your board of trustees,  
Amanda, Barb, Christine, Ed, Jon, Malcolm and Petra

## A safety message from Auckland Transport

### Safety at the school gate

We encourage you to walk with your children to school, but if you need to drive them sometimes, please observe and discuss with your child the following safe practices:

#### Dropping Off

Park a short distance from the school and walk with your child/ren to school. (Help keep the school entrances free from cars to make it safer for everyone.)

Always park beside the footpath and ensure children exit vehicles on the footpath side and not the roadside.

Always use the pedestrian crossing to cross the road.

#### Picking up

Park and walk to the school grounds to meet your child/ren.

Do not wave or call your child/ren across the road.

Always educate your child/ren to use the pedestrian crossing.

Always role model good safety behaviour to your child/ren and teach safe habits.

Always drive slowly near the school and watch for pedestrians and cyclists at all times.
